GSDP Composition by Sector at Current Prices

Merchandise Export from Arunachal Pradesh (US\$ million) \*Until December 2024

Note: - ^CAGR in Rs., GSDP - Gross State Domestic Product, \*- Until GSV Source: Ministry of Statistics & Programme Implementation, Directorate General of Commercial Intelligence and Statistics.

## ADVANTAGE

**High economic growth**

At current prices, Arunachal Pradesh's GSDP is estimated to reach Rs. 34,270 crore (US\$ 3.98 billion) in FY25.

**Huge hydropower potential**

Hilly terrain and abundant rivers makes the state a potential powerhouse in the Northeast. The Department of Hydropower Development, Arunachal Pradesh, is wholly entrusted with the design, construction, operation and maintenance of hydropower projects in the state.

**International trade opportunities**

The state's location provides opportunities for international trade with Asian countries such as Myanmar, Bhutan and China. Merchandise export from the state reached Rs. 15 crore (US\$ 1.80 million) in FY25 (until February 2025).

**Policy and fiscal incentives**

The State and Central Government offer huge fiscal and policy incentives for the development of important sectors.

## KEY GOVERNMENT POLICIES AND OBJECTIVES

**Public Private Partnership Policy 2011**

Leverage State and Central Government funds to support private investment.

**Hydro Power Policy 2008**

Harness hydropower potential of the state and accelerate hydropower development.

**State Industrial Policy 2008**

Facilitate and promote growth of the industry, employment and investment in the state.

**North East Industrial Development Scheme 2017**

Promote Northeast as an attractive investment region and drive productivity.

## KEY SECTORS OF THE STATE

**Textiles and Handicrafts**

The state consists of an enriching collection of unique and appealing handloom designs from each of its tribes. Raw silk production [provisional] in the state reached 49 metric tonnes (MT) in FY23.

**Agriculture and Forest Based Industries**

In 2018-19 (as per third advance estimates), fruits and vegetables production stood at 125.84 thousand tonnes and 17.39 thousand tonnes, respectively.

**Mineral Based Industries**

Arunachal Pradesh has considerable mineral reserves. In FY20, the total production of crude petroleum in the state stood at 57 thousand tonnes, and natural gas at 12 MCM.

**Tourism**

Angling, boating, rafting, trekking and hiking are preferred among travelers to Arunachal Pradesh. In the past quarter, tourism has been negatively impacted due to the pandemic
